

A photograph of a restaurant interior viewed through a white arched doorway. The room is brightly lit with several large, circular, multi-tiered pendant lights hanging from a wooden ceiling. The floor is covered in light-colored tiles with a repeating geometric pattern. In the foreground, a small wooden table holds two large, light-colored ceramic vases. To the right, a blue curtain is tied back with a gold chain. The walls are decorated with dark, abstract murals and modern wall sconces. The overall atmosphere is elegant and sophisticated.
