SEASONAL & SPANISH INSPIRED

Group Event & Private Dining

Group Event & Private Dining

Located in the heart of Prince Edward County, Bocado is a true expression of the Mediterranean serving seasonal and Spanish-inspired food, cocktails, and regional wines. Bocado is a place for sharing plates in a warm and energetic space, exploring local wines and food from PEC with a Spanish influence.

The space is centred around an open kitchen separating two dining rooms with full bars, joined by a beautiful ornate corridor. The front room can comfortably seat 60 people while the back room can seat 40 people making the restaurant ideal for private corporate dinners, lunches, brunches, cocktail and canapé receptions, rehearsal dinners or intimate weddings.

For more intimate groups, we have an elevated harvest table which comfortably seats 10-12 guests and to its side we can set a harvest table which comfortably seats up to 18 guests. Ask about our buy out and semi buy out packages for larger groups.

Bocado Restaurant Set Menus

For larger groups and to properly express the Spanish tapas experience, we have 3 prix-fixe menus to choose from for \$60, \$70, and \$80 per person. Your group would all dine on the same menu. The table receives all dishes on the chosen menu served tapas / family style (everything shared). We work with dietary restrictions and allergies with small adjustments to some dishes or complete replacements if need be. Inquire with the team about our Spanish curated Brunch menu for large groups and wedding parties.
